SUPPLEMENTAL RESPONSE TO NOTICE OF VIOLATION

Dear Mr. O'Reilly:

In our letter of March 31, 1981, Serial No. BSEP/81-0677, Carolina Power and Light Company committed to develop and/or revise procedures to correct Violation E, Items 3 and 4 of IE Inspection 50-325/80-42 and 50-324/80-39 by June 1, 1981. The development and revision of procedures required to correct these items were complete by June 1, 1981; however, due to a delay in implementing the new QA/QC program, these revised procedures have not been implemented. These procedures will be implemented as the new QA/QC program is established, which is now planned for not later than September 1, 1981.

Very truly yours,

C. R. Dietz, General Manager
