Division of Operating Reactors, *License*  
Washington, D.C., 20555

*Standardization & Special Projects Branch*

Re: Docket 50-326, License R-116.

Gentlemen,

Please find enclosed ten copies of the annual report for our TRIGA reactor covering the period July 1st, 1980 to June 30th, 1981, submitted in accordance with 6.7f of our facility Technical Specifications.

Sincerely yours,

*George E. Miller*
