Dear Mr. Chilk:

I am writing to request time to make a limited appearance statement at the licensing hearings for Pennsylvania Power and Light's Susquehanna /Steam Electric Stations 1 and 2 now under construction in Berwick, PA.
(Docket numbers: 50-387 and 50-388).

Please inform me when and where these hearings will take place and when I will be able to speak. I also would like to request that time be made available in the evenings and/or on weekends for these statements to insure greater public input.

I also understand there are certain prehearing conferences taking place;;I would appreciate being informed of these as well.
