Docket No. 50-142
(Proposed Renewal of Facility
License Number R-71)

July 27, 1981

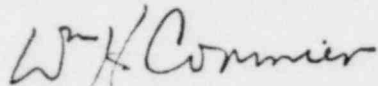

12 APPLICANT'S OPPOSITION TO INTERVENOR'S
13 MOTION FOR RECONSIDERATION

14
15 Applicant, THE REGENTS OF THE UNIVERSITY OF CALIFORNIA,
16 is opposed to "Intervenor's Motion for Reconsideration of Certain
17 Portions of Protective Order of July 1, 1981, Relative to
18 Interrogatories VI. 55a, b, c, 57e, 59 and 60." Applicant has
19 argued that the subject interrogatories inquire into matters that
20 are irrelevant to this proceeding as a result of the determination
21 made by the Atomic Safety and Licensing Board in its March 20,
22 1981 order ("order Subsequent to Second Prehearing Conference").
23 The Board sustained applicant's objection to the questions in its
24 July 1, 1981 order. Reconsideration of this matter at this time
25 would unduly delay these proceedings.
26

DS03
S
1/0

1 In the event that the Board grants the motion for
2 reconsideration, Applicant will, at that time in accordance with the
3 Commission's rules of practice, file an appropriate response on the
4 substantive matters accepted for reconsideration.

5
6 Respectfully submitted,

7
