SUBJECT: COMANCHE PEAK STEAM ELECTRIC STATION
SQUAW CREEK PARK

Dear Mr. Youngblood:

This is to confirm information supplied to Mr. Paul Denise of Argonne National Laboratory during our telephone conversation on July 30, 1981.

On July 20, 1981 an Agreement was signed with Mr. C. N. Marsh of Squaw Creek Park, Inc. to operate a 470 acre park on the east shore of Squaw Creek Reservoir. Swimming and water skiing are among the recreational activities planned for the park. It is not anticipated that any access will be allowed to Squaw Creek Reservoir other than through the park.

If you have any other questions about this matter, please let us know.

Sincerely,

Billy R. Clements
