Charles Becksefer, Esq.  
Chairman, Atomic Safety & Licensing Board  
U.S. NRC  
Washington, D.C. 20555

Dear Mr. Becksefer:

I urge you to reconsider your refusal to honor Austin's request that the September STNP licensing hearing be held in Austin. A great many citizens here feel it is only fair that these hearings be held in our city at least part of the time. So far Austin has had none of Austin 6.

Sincerely,  
Mrs. J. Feagin
