Office of the Executive Legal
Director
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

RE: In the Matter of Northern Indiana Public
Service Company (Bailly Generating Station,
Nuclear-1) Docket No. 50-367 (Construction
Permit Extension)

Dear Steve:

This will acknowledge receipt today of your two letters of
July 14, 1981 to me and the enclosures thereto.

The letters indicate that the documents with them are
responsive to Porter County Chapter Intervenor's Second Request
to the NRC for Production of Documents, dated May 19, 1981
and to Porter County Chapter Intervenor's Third Request to the NRC
for Production of Documents, dated June 9, 1981. The letters
do not, however, indicate whether those enclosures are all
such documents.

We would appreciate your letting us know whether there
exist any additional documents responsive to the requests which
you have not produced.

Very truly yours,

Robert J. Vollen
One of the Attorneys for Porter
County Chapter Intervenor's
