Chairman
Atomic Safety and Licensing Board
U.S. Nuclear Regulatory Commission
Room E-422
4350 East West Highway
Bethesda, Maryland

Dear Chairman Bloch:

On Friday, August 7, 1981, FPL filed its: "Response To Cities' Motion To Establish Procedures, For A Declaration That A Situation Inconsistent With The Antitrust Laws Presently Exists And For Related Relief. In reviewing our copies of this pleading over the weekend, we have noticed that some were affected by a xeroxing malfunction which resulted in some pages being lighter in tone than others.

In the event some of the copies served on Friday reflected the effects of this malfunction, we are today delivering newly reproduced copies of FPL's Response to each Board member and to counsel for Cities and the NRC Staff.^{1/}

^{1/} By this letter, FPL notifies other members of the service list that it will supply a new copy, if needed, for this reason.
