Re: In the Matter of Florida Power
& Light Company (St. Lucie Plant,
Unit No. 2), Docket No. 50-389A

Dea Mr. Stephens:

Enclosed for filing please find the original and two copies of the "Response of Florida Power & Light Company to Cities' Motion to Establish Procedures, For a Declaration That a Situation Inconsistent With the Antitrust Laws Presently Exists and for Related Relief."

The sets of Appendices to that Response are extremely voluminous, and quite costly to reproduce. Therefore I have enclosed herewith only the original sets. Each Board member, including Judge Smith, has been served with a full set of the Appendices, as has each party. If the Commission requires additional sets please let me know, and we will provide them promptly.

Thank you for your assistance.

Respectfully Submitted,

Douglas G. Green
