Re: Freedom of Information
Request

Dear Mr. Zietz:

Pursuant to the Freedom of Information Act, 5 USC §552, and to the requirements of the Federal Energy Regulatory Commission regulations implementing that act, I hereby request:

1. Any and all reports, letters, memoranda, or any documentation relating to the graphite fracture studies conducted concerning the Fort St. Vrain Nuclear Power Plant operated by the Public Service Company of Colorado and located at Platteville, Colorado;
2. Any studies commissioned by the Nuclear Regulatory Commission concerning Fort St. Vrain which were completed within the past two years;
3. Any studies conducted by the Stearns-Roger Engineering Corp., concerning Fort St. Vrain, including a study numbered SR308;
4. Any analysis, correspondence, or other documentation regarding the Nuclear Regulatory Commission's analysis of the temperature fluctuation problems, the helium circulation problems or any other major problems providing reliable, stable amounts of electricity.

The Legal Aid Society of Metropolitan Denver is a nonprofit, public interest organization, and this request is made in the public interest. I therefore ask that all fees be waived for this request under 5 USC §552(a)(4)(A). If such waiver is not granted, please contact me before proceeding. If you have any questions regarding this request, you may contact me at the above telephone number.

Sincerely,
