Re: In the Matter of Pacific Gas and Electric  
Company (Diablo Canyon Nuclear Power Plant,  
Units No. 1 and 2), Docket Nos. 50-275 O.L.  
and 50-323 O.L. (Full Power Proceeding)

Gentlemen:

On August 7, 1981, the Applicant in the above-referenced matter sent interrogatories to the Joint Intervenor and Governor Edmund G. Brown. It has come to our attention that a typographical error in the caption of the interrogatories stated that the interrogatories were in connection with the low power proceeding. Obviously, such is not the case. Enclosed is a corrected cover page for each of these sets of interrogatories.

Very truly yours,

*Bruce Norton*
