Dear Mr. Fiorelli:

INSPECTION REPORT NO. 50-483/81-10

This is in response to your letter of June 24, 1981 reporting results of an inspection at Union Electric Company's Callaway Plant Site on May 5-7, 1981 and as detailed in inspection report number 50-483/81-10.

Your Notice of Violation requires a written response to be submitted by July 24, 1981. We find that additional time is required to prepare our response and as discussed on July 24 between our J. V. Laux and your Mr. R. C. Knop we request that the submittal date be extended to October 22, 1981.

Very truly yours,

John K. Bryan
