Re: McGuire Nuclear Station
Docket Nos. 50-369, 50-370

Subject: McGuire Nuclear Station
Security Plan
Revision 12

Dear Mr. Denton:

Attached are five copies of Revision 12 to the McGuire Nuclear Station Security Plan. The primary reason for Revision 12 is to reinsert the term "positive" to applicable portions of the Security Plan per a telephone conversation between Mr. J. W. Davis (DPC) and Mr. Charles Gaskin (NRC/ONMSS) on July 28, 1981. Revision 12 is being submitted pursuant to 10 CFR 50.54 (p) and does not decrease the effectiveness of the Security Plan.

Since this material is applicable to security provisions at McGuire, it is requested that this information be withheld from public disclosure pursuant to 10 CFR 2.790.

Very truly yours,

William O. Parker, Jr.
