Information Request Regarding Station Blackout,
Unresolved Safety Issue A-44, Farley Unit 1

Dear Sir:

In response to your letter on the above subject dated July 9, 1981, Alabama Power Company has initiated compilation of the information requested. Based on the scope of work required, it is expected that this information will be submitted by the first week in January, 1982. It should be noted that this response will cover the period from the issuance of the Unit 1 fuel load license (June, 1977) through 1980, inclusive. Detailed records of diesel operation and maintenance were not kept prior to this date.

If you have any questions, please contact me.

Very truly yours,

F. L. Clayton, Jr.
