Nuclear Reactor Facility

Nuclear Reactor  
Rolla, Missouri 65401  
Telephone: (314) 341-4236

Memorandum To: To whom it may concern  
From: Albert E. Bolon, Reactor Director *AE Bolon*  
RE: UMR Reactor Physical Security Plan  
Date: September 3, 1981

Effective Friday, September 4 we shall implement the Physical Security Plan for the UMR Reactor in accordance with the U.S. Nuclear Regulatory Commission's approval of the plan.

Persons who are authorized to have unescorted access will be issued security badges. All other persons visiting the reactor beyond the reception area will be escorted.
