APPLICANTS' MOTION FOR SUMMARY DISPOSITION
OF CONTENTION 7B

Pennsylvania Power & Light Company and Allegheny Electric Cooperative, Inc. ("Applicants") move the Atomic Safety and Licensing Board, pursuant to § 2.749 of the Commission's Rules of Practice (10 C.F.R. § 2.749) and the Special Prehearing Conference Order of March 6, 1979, LBP-79-6, 9 NRC 291, 328, for summary disposition in Applicants' favor of Contention 7B in this proceeding, which alleges that "[t]he cracking of stainless steel piping in BWR coolant water environments due to stress corrosion has yet to be prevented or avoided".

As grounds for their Motion, Applicants allege that there is no genuine issue of material fact to be heard with respect to Contention 7B and Applicants are entitled to a decision in their favor on it as a matter of law.

DS03
50/1

This Motion is supported by the Applicants' Statement of Material Facts As To Which There Is No Genuine Issue To Be Heard (Contention 7B), and the Affidavits of Joseph C. Lemaire and Walter J. Rhoades, all filed simultaneously herewith, together with all pleadings and other papers in this proceeding.

As set forth in the March 6, 1979, Special Prehearing Conference Order, supra, 9 NRC at 328, responses to this Motion are due three weeks from its filing date.

Respectfully submitted,

SHAW, PITTMAN, POTTS & TROWBRIDGE
