Mr. Darrell G. Eisenhut, Director
Division of Licensing
U.S. Nuclear Regulatory Commission
Office of Nuclear Reactor Regulation
Washington, D.C. 20555

Dear Mr. Eisenhut:

Gulf States Utilities Company (GSU) has reviewed Generic Letter No. 81-29, "Simulator Examinations". Since River Bend Station's currently projected Fuel Load date is October 1, 1983, GSU has not scheduled any simulator examinations in the remainder of calendar year 1981 or in 1982.

GSU will have simulator examinations for our Senior Reactor Operators and Reactor Operators and intends to conduct these exams approximately 3 months prior to our projected Fuel Load date. If further information is needed, please contact GSU. This concludes our response to Generic Letter No. 81-29.

Sincerely,

E. Linn Draper, Jr.
Vice President
Nuclear Technology
