August 25, 1981

Director of Inspection and Enforcement
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Sir:

Please find enclosed one copy of the "Annual Operations Report of the Texas A&M University AGN-201M Training Reactor," June 1, 1980 to May 31, 1981. This is submitted in accordance with the requirements of 10 CFR 50, Section 50.59 (b) and Appendix A, Technical Specifications, of NRC Facility License R-23, Docket No. 50-59.

Yours truly,

Dr. Carl A. Erdman
Department Head
Nuclear Engineering
