Dear Mr. Mallory:

I am in receipt of your memorandum of August 31, 1981 regarding the "Forthcoming Meeting With Offshore Power Systems - Floating Nuclear Plant Manufacturing License Application."

Please be advised that Dr. Glenn L. Paulson is no longer with the New Jersey Department of Environmental Protection as noted on page two of your memorandum (list of carbon copies). I am now the Assistant Commissioner for Science and Research for the Department. I would appreciate it if you would insert my name on the mailing list in place of Dr. Paulson's.

Thank you.

Sincerely,

Alden McLellan
