Gentlemen:

To address your concerns resulting from IE Inspection 50-313/81-09 and 50-368/81-08, conducted on March 26, 1981, a meeting was held between NRC regional management and AP&L Corporate management on June 23, 1981. In this meeting AP&L made a presentation on the ANO security system which summarized the history of the system, explained the present security system and summarized actions AP&L will be taking to improve the system. Enclosed for your information are five (5) copies (copies 1-5) of the transparencies used for this presentation. Should you have any further questions on the security system or on our presentation, please contact us.

Due to the proprietary security nature of the enclosed information, we request it be withheld from public disclosure pursuant to 10CFR2.790(d).

Very truly yours,

*David C. Trimble*
