Dear Mr. O'Reilly:

In response to item B in Reference (1) regarding the corporate audit of the Crystal River Unit 3 (CR-3) Security Plan, Florida Power Corporation committed to complete the corporate audit of the CR-3 Security Plan by September 18, 1981. [See Reference (2).]

Since June 19, 1981, Florida Power Corporation has been working with consultants to review the entire security program to identify areas needing improvements to develop corrective actions to enhance the overall effectiveness of the existing security plan and to complete the rewrite of the Security Plan to submit to the NRC. As a result of these ongoing efforts in the security area, Florida Power Corporation will complete the corporate audit of the CR-3 Security Plan by October 15, 1981. This has been discussed with your Mr. D. McGuire by our Mr. W. Lobo on August 24, 1981. Mr. McGuire has concurred with this schedule.
