Re: Public Service Company of Indiana, Inc.
(Marble Hill Nuclear Generating Station,
Units 1 and 2) Docket Nos. 50-546, 50-547

Dear Mr. Dattilo:

On September 8, 1981, you filed by mail with the Nuclear Regulatory Commission a petition to modify, suspend, or revoke the construction permit issued in the above-captioned proceeding. As you are well aware, I am counsel of record for both Public Service Company of Indiana, Inc. and Wabash Valley Power Association, Inc. in that proceeding. Notwithstanding that fact, you failed to serve a copy of your filing on me. I expect that any further filings made by you will be served on me. If they are not, I reserve the right to urge the Nuclear Regulatory Commission to reject them.

Very truly yours,

Harry H. Voge
