RE: Nine Mile Point Nuclear Station
Docket No. 50-220 DPR-63
Docket No. 50-410 NPF-54

Dear Mr. Martin:

In accordance with 10CFR30.54(p), enclosed for your information are changes to the approved Nine Mile Point Security Training and Qualification Plan. The Plan has been rewritten and revised to incorporate a performance-oriented training program. The changes that have been incorporated have had a positive and meaningful effect on the morale of both the guard force and supervision. The changes do not decrease the effectiveness of Training and Qualifications Plan but, in fact, enhance the program.

Pursuant to Section 2.790(d) of the Commission's Regulations, we hereby request that the material submitted with this letter be withheld from public disclosure.

Sincerely,

Joseph P. Beratta
