RE: Renewal Request to USA/9269/B(U)-96 Type B(U) Certificate for the Model 650L

Dear Mr. Doyle:

QSA Global, Inc. is requesting renewal of this certificate which will expire on 30 November 2020. This renewal is submitted in advance to ensure sufficient time to obtain additional, international Type B approvals which are based on the USNRC certificate.

There are no significant changes to the approval at this time. Should you have any questions, or wish to discuss amendment request, please contact me.

Sincerely,

Lori Podolak
