Subject: License Amendment Request Question on Possession

Discussion: The Lane Construction Corporation sold its plants and paving business to Eurovia SAS. This included the majority of their portable gauges. Prior to the purchase, Eurovia SAS obtained an NRC portable gauge license. After the sale, the Lane Construction Corporation possessed only with only one gauge and requested a reduction in their possession limit. I asked Mr. White how many gauges he would like to retain on his license. He asked for authorization to possess 3 gauges.

Action Required: I will amend the license to authorize possession of only three gauges.
