Dear MS Cender:

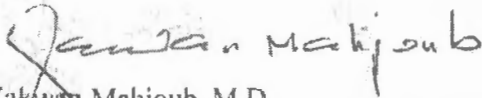

This letter is in response to your request for additional information regarding the license renewal application under control No. 616837.

At this time Dr. Mahjoub needs recent training and or experience in performing the duties of Radiation Safety Officer. It is therefore requested that our physicist Ray A. Carlson, M.S. become our RSO. He is currently the RSO for licenses 21-26253-01 and 21-32035-01. He is available to perform the duties of RSO as needed. And to provide the required instruction to the staff. Mr. Carlson lives nearby and can be present in the event of an emergency.

Enclosed is a copy of Delegation of Authority form for the change.

If there are any questions please call me at (248) 710-1001.

Sincerely,

  
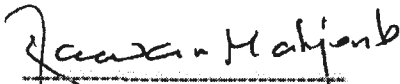

Zakwan Mahjoub, M.D.

### Delegation of Authority

To: Ray A. Carlson, M.S.  
From: Zakwan Mahjoub, M.D.  
Subject: Delegation of Authority

You, Ray A. Carlson, M.S., have been appointed Radiation Safety Officer and are responsible for ensuring the safe and secure use of radiation and radioactive material. You are responsible for managing the radiation protection program; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations when justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time. You will spend whatever hours are necessary to conduct the duties and tasks of the Radiation Safety Officer.
