Subject: Island Roads Corporation - NRC License Renewal Request - Request for Additional Information
Date: Wednesday, December 18, 2019 1:25:00 PM

Licensee: Island Roads Corporation
License No. 55-25473-01
Docket No. 030-35038
Control No. 617086

Mr. Fleming,

It was nice speaking with you on the phone this morning. As discussed additional information is needed in order to continue our review of your application for renewal of License Number 55-25473-01 dated October 29, 2019. I am sending you a link to the NUREG-1556 Volume 1, Rev 2, "Program Specific Guidance About Portable Gauge Licenses."

<https://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v1/>

This document contains information intended to assist licensees in preparing applications for materials licenses for portable gauges. Appendix B of this document contains a suggested format for providing information requested in items 5 through 11 of the U.S. NRC Form 313. As discussed during our conversation please submit the NUREG 1556, Vol 1, Rev 2, Appendix B checklist to ensure all necessary commitments are made.

We will continue our review upon receipt of the requested information. You may respond to my attention in writing by letter or email (if letter is signed by senior management and scanned into a pdf format), referencing mail control number 617086.

In order to continue prompt review of your application, we request that you submit your response within 30 calendar days from the date of this email.

An electronic version of the NRC's regulations is available on the NRC Web Site at: www.nrc.gov. Additional information regarding use of radioactive materials may be obtained on the NRC Web Site at: <http://www.nrc.gov/materials/miau/mat-toolkits.html>. This site also provides the link to the toolbox for updated information on the revised regulations for naturally-occurring and accelerator-produced radioactive materials (NARM).

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>. Please be aware that you may request that certain portions of your submittal to NRC be withheld from public disclosure as proprietary information. To do this, you must execute an affidavit as specified in 10 CFR 2.390. You must list all portions that you wish to be held proprietary, along with your reasoning as to why that is appropriate. While it is allowable, please refrain from submitting proprietary information in support of a license unless necessary. Keep in mind that all NRC licenses are considered to be in the public domain, and therefore may be viewed by any member of the public who requests to see them.

If you have any questions regarding this request for additional information, please contact me at 610-337-5370 or at Briana.deboer@nrc.gov.

Thank you for your cooperation.

Sincerely,

Briana DeBoer
