Ms. Andrea Kock, Director
Division of Fuel Management,
Office of Nuclear Material Safety and Safeguards
U.S. Nuclear Regulatory Commission
11545 Rockville Pike, Mail Stop T4A60
Rockville, MD 20852-2738

Dear Ms. Kock:

In accordance with the Memorandum of Understanding between our agencies, I request that you review the attached French Certificate of Competent Authority F/348/AF-96, Revision Fq, for the FCC-4 package and make a recommendation concerning our revalidation of the package for import and export use.

To assist you in your review, I am providing a copy of the package design safety report for the FCC-4 package along with other supporting documents that I have received from our applicant, TN Americas LLC, in electronic form on the enclosed cd. TN Americas indicates a need for revalidation to support shipments in the fourth quarter of 2020.

If you have any questions or need any additional safety information, please feel free to contact Michael Conroy of my staff at (202) 366-3597 or via email at Michael.Conroy@dot.gov.

Sincerely,

Richard W. Boyle
