

TERRESTRIAL ENERGY USA

December 30th, 2019

U.S. Nuclear Regulatory Commission
ATTN: Document Control Desk
11555 Rockville Pike
Rockville, MD 20852-2738

TEUSA Letter: TEUSA191230

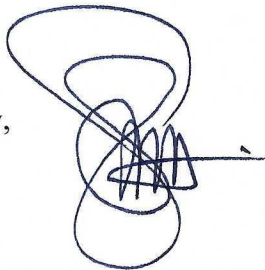

To Whom it May Concern,

Subject: Terrestrial Energy USA Regulatory Engagement Plan

Please find enclosed, the Terrestrial Energy USA (TEUSA) Regulatory Engagement Plan (REP) as requested during recent conversations with NRC staff. Please note that this REP, Enclosure 1 to this letter, is commercially sensitive information and we are requesting that it be withheld from public disclosure in its entirety in accordance with 10 CFR 2.390, "Public inspections, exemptions, request for withholding," paragraph (a)(4).

Each page of Enclosure 1 is marked as "Confidential and Proprietary" and an affidavit providing the basis for this confidentiality request is provided in Enclosure 2. Please feel free to contact Robin Rickman, V.P. of TEUSA, at (646) 687-8212 ext. 531 or at rrickman@terrestrialusa.com if you have any questions.

Faithfully,

Simon Irish
CEO, Terrestrial Energy USA

Enclosure 1: TEUSA Regulatory Engagement Plan

Enclosure 2: Affidavit
