Tritium-Containing EXIT Sign – Disposal Report

To whom it may concern,

As part of the execution of contracted construction services for the Aleutians East Borough School district, we have facilitated proper disposal of three (3) self-illuminating EXIT signs containing tritium. Per regulatory requirements, disposal records are provided below.

The signs were removed from the facility listed here:

Akutan School
202 Volcano Dr
Akutan, AK 99553

The signs disposed of are listed here:

Manufacturer	Model Number	Serial Number	Date of Mfg.	Life Rating/Ci content
NRD	T-4001	17974	7/85	12 yrs.
OMNI-GLO	C/10	9060	9/94	20 Ci
OMNI-GLO	C/10	9062	9/94	20 Ci

The disposal facility is listed here:

SRB Technologies
2580 Landmark Drive
Winston-Salem, NC 27103
(RGA# 998083)

Thank you,
Jim.
