## **DuPont Cooper River Hytrel Plant**

### **Disposal of Tritium Signs**

This letter is to inform you that the DuPont Cooper River Hytrel Plant has disposed of the 48 tritium signs that were installed during the plant's construction. The signs were sent to SRB Technologies, Inc. (NC Radioactive Materials License # 034-0534-2) for proper disposal. The manufacturer and serial numbers of the signs are included on the attached list. They were all installed at the 3300 Cypress Gardens Rd, Moncks Corner, SC 29461 location.

If there are any questions regarding this letter of disposal, please contact Lakesha L. Adams at 843-797-9720 or [Lakesha.L.Adams@dupont.com](mailto:Lakesha.L.Adams@dupont.com).

Sincerely,
