Adam –

For the Vogtle Unit 4, Alternative Request, IST-ALT-01, SNC should plan to supplement this request consistent with the discussion at the public meeting held this morning.

The duration of a staff authorization should be consistent with the duration cited in your request. As noted in my previous email dated January 9 (ADAMS No. ML20009D906), the staff would authorize the alternative for the first 10-year interval of Unit 4.
