SUSQUEHANNA STEAM ELECTRIC STATION
STARTUP REPORT
ER 100450 FILE 841
PLA-1702

Docket No. 50-387

Dear Mr. Allan:

Two copies of the Susquehanna SES Unit 1 Startup Report are attached. This report is submitted nine months following initial criticality in accordance with Technical Specifications Section 6.9.1.1. A supplemental report will be submitted within 90 days.

Very truly yours,

B. D. Kenyon
Vice President-Nuclear Operations
