Subject: Offsite Dose Calculation Manual

Reference: Radiological Effluent and Environmental Monitoring Technical Specifications, proposed in a Boston Edison Letter dated April 15, 1983, from Mr. W.D. Harrington to Mr. D.B. Vassallo

Dear Sir:

The Offsite Dose Calculation Manual (ODCM), which is enclosed with this letter, is to satisfy our commitment contained in the referenced letter of April 15, 1983.

The ODCM, as stated in the reference, has been approved by the Operations Review Committee (ORC) and reviewed by the Nuclear Safety Review and Audit Committee.

We believe this submittal satisfies the commitment as described in the reference. Should you require further information concerning the ODCM, please contact us.

Very truly yours,

W.D. Harrington
