SUBJECT: Waterford 3 SES
Emergency Plan Implementing Documents

Dear Sir

In accordance with 10 CFR 50.47, transmitted herewith are two copies of the Waterford 3 Steam Electric Station revisions to the Emergency Plan Implementing Documents. These revisions are as follows:

- EP-2-030 Emergency Radiation Exposure Guidelines and Controls, Rev 1, Change 1
- EP-2-033 Administration of Iodine Blocking Agents, Rev 1, Change 1
- EP-2-090 Accident Assessment, Rev 1, Change 1
- EP-2-110 Man-Caused Emergencies, Rev 1, Change 1
- EP-2-120 Natural Emergencies, Rev 1, Change 1
- EP-2-130 Emergency Team Assignments, Rev 1, Change 1
- EP-2-140 Reentry, Rev 1, Change 1
- EP-2-150 Emergency Records, Rev 1, Change 1
- EP-3-060 Emergency Communications Guidelines, Rev 1, Change 1

Please remove the old revisions, replacing them with the revisions outlined above. The superseded documents should be destroyed.

Also enclosed are four white binders with Waterford 3 SES Emergency Plan Implementing Documents cover sheets and spine covers. Two books are marked controlled copy 029 the other two books are controlled copy 030. Due to the numerous procedures it is suggested the Implementing Documents be posted in two volumes.

If there are any questions pertaining to this submittal, please contact R. Azzarello at (504) 464-3292.

Very truly yours,

F. J. Drummond
