AFFIDAVIT OF HOWARD A. LEVIN

I, Howard A. Levin, Manager, Engineering, TERA Corporation have been delegated responsibility for reviewing the Project Quality Assurance Plan (PQAP) for TERA Project 320I, Midland Independent Design and Construction Verification (IDCV) Program portions of which are requested to be withheld from public disclosure in accordance with the provisions of 10 CFR 2.790.

The following information is proprietary to TERA Corporation and is being transmitted to the Nuclear Regulatory Commission in confidence:

- Exhibits 1, 2, 3, 4, and 5 of Project Instruction PI-320I-006, Use of Design Verification Checklists
- Exhibits 1, 2, 3, 4, 5, 6, 7, 8, 9, 10 11 and 12 of Project Instruction PI-320I-007, Use of Construction Verification Checklists

This information is held in confidence by TERA Corporation since its development was at considerable expense to TERA Corporation. The information in its form, is not to the best of my knowledge available in public sources.

Public disclosure of the information requested to be withheld is likely to cause substantial harm to the competitive position of TERA Corporation because it reveals important features of TERA's engineering products. The availability of this information to competitors would enable them to utilize this information to their competitive advantage without the expenditure of time and money that TERA has had to expend.

Nondisclosure does not limit the public's right to have knowledge of and access to information material to Findings developed as a result of TERA's independent design and construction verification activities.
