Dear Mr. Goller:

MONTICELLO NUCLEAR GENERATING PLANT
Docket No. 50-263 License No. DPR-22

Response to a June 5, 1974 Letter Requesting Information
Concerning the Use of Armed Guards

Your letter of June 5, 1974 requested that we advise you immediately of our plans concerning the use of armed guards at the Monticello Nuclear Generating Plant.

As stated in our April 29, 1974 submittal, the Monticello Security Plan has been revised to provide for the use of armed guards. We are now establishing the procedures and training programs needed to accompany this change. We believe that we can complete this effort and begin using armed guards at the Monticello Plant by July 1, 1974.

Yours very truly,

L O Mayer / DM
