Revision to the McGuire Fire Protection Review Manual

Gentlemen:

Please find attached a copy of the latest revision to the McGuire Nuclear Station Fire Protection Review manual for your use.

This revision reflects changes resulting from Station Problem Report (SPR) #4140 which involved routing of computer cables in the control room. Only the affected pages are attached. Changes are noted by a vertical line in the right margin. This revision is for your information only.

If you have any questions concerning this material, please call L.J. Rudy at (704) 373-3413.

Very truly yours,

*M.S. Tuckman*
