

P. 1078

DOCKET NUMBER
PROD. & UTIL. FAC. 50-341

Oct 17, 1978
Director of Regulations & Secretary of the Commission
Nuclear Regulatory Commission
Washington, D.C. 20555

Sirs;

The following persons are planning to enter the hearings Docket No 50-341 the construction license hearings for Detroit Edison's Fermi II unit. They hereby request sufficient notice of any pre hearing conference in relation to said plant's hearings. All these people and local units of government plan to submit appropriate affidavits spelling out their contentions under oath as per the rules of May 26, 10 CFR. revised.
