Re: Metropolitan Edison Company
(Three Mile Island Nuclear Generating
Station, Unit No.1), Docket No. 50-289 SP

To Whom It May Concern:

This is to confirm my understanding of a telephone conversation today with Ms. Eugenia Pleasant of the Docketing and Service Branch in which Ms. Pleasant agreed to add my name to the service list in the above-referenced proceeding so that we may receive, as counsel for O and VV, copies of NRC orders and other documents served therein.

Thank you for your cooperation.

Sincerely,

Michael F. McBride
