CABLE SPREAD ROOM EXEMPTION REQUEST

Dear Mr. Denton:

On September 8, 1982, Carolina Power & Light Company (CP&L) submitted supplemental information for our Cable Spread Room Exemption Request for the Brunswick Steam Electric Plant. Four pages of that report were found to contain typographical errors. Enclosed are revised pages 27, 29, 30, and 32 for the September 8, 1982 report. These pages indicate corrections with an amendment bar in the right-hand column. In addition, pages A.3-7 through A.3-10 of Appendix A were inadvertently left off by the printer. These four pages are also enclosed and should be inserted into Appendix A of the Cable Spread Room Report dated September 8, 1982.

If you have any questions concerning these changes, please contact us.

Yours very truly,

S. R. Zimmerman
