Reference: Docket No. 50-285

Dear Mr. Seidle:

Emergency Preparedness Appraisal

Your letter to Omaha Public Power District dated August 18, 1982 asked for additional information related to our letter dated June 1, 1982 submitted in response to the subject appraisal. This information was to be provided within 20 days of the receipt of your letter. The District has reviewed the existing work schedule of those personnel needed to respond to your request. Given this work schedule, the earliest the District can commence preparation of the additional information is the week beginning September 20, 1982. Allowing 20 working days to prepare our response, we expect to provide the requested information by October 15, 1982.

Sincerely,

W. C. Jones
