MOTION TO AMEND OCRE'S "MOTION TO EXTEND
 DISCOVERY ON ISSUE #9"

On October 15, 1982 Ohio Citizens for Responsible Energy ("OCRE") moved the Licensing Board to extend the deadline for filing discovery on Issue #9 to November 1, 1982 for discovery to Applicants and to 10 days following the Staff's filing of its answer to OCRE's Fourth Set of Interrogatories to Staff for discovery to Staff. On October 22, 1982, the Staff filed its answers. OCRE has determined that no follow-up discovery is necessary to the Staff (unless, of course, some new information were to be disclosed that necessitates reopening of discovery).

Upon inspecting documents made available by Applicants on October 24, OCRE requested copies of several documents. OCRE has not received these copies. Since a more thorough examination of these documents is necessary before the follow-up discovery can be propounded, OCRE moves to amend its October

15 motion such that the November 1 date is changed to 7 days following the receipt of the documents requested of Applicants. On October 29, 1982, the undersigned OCRE Representative discussed this change with Applicants' counsel, who voiced no opposition to this amendment.

Respectfully submitted,

Susan L. Hiatt
OCRE Representative
