Dear Administrative Judges:

This letter is submitted on behalf of Commonwealth Edison Company (Edison) pursuant to the Board's request for a quarterly status report on developments in this proceeding.

There have been no material changes with respect to the Carroll County Project since the submission of our letter to the Board, dated July 30, 1982. The Company has not modified the projected in-service dates for the Carroll County Units. In addition, the circumstances associated with the possible withdrawal from the project of one of Edison's prospective joint owners, have not changed significantly since our earlier report.

We will of course continue to apprise the Board and parties of any developments with respect to these matters.

Very truly yours,

Alan P. Bislański

Commonwealth Edison Company
