Docket No 50-322 OL

Dear Administrative Law Judges:

Enclosed are executed copies of the affidavits of Messrs. DiMascio and Lieberman, Attachments 2 and 3 to LILCO's Motion for Summary Disposition dated November 9, 1982. Please note that Mr. Lieberman filled in the word "plant" that was inadvertently dropped from page 2 of his affidavit. Mr. DiMascio made changes to his affidavit also; he deleted the word "Substation" on page 3 and changed "headquarters" on page 6 to "communications center." (I'm told police headquarters and the police communications center are in the same building.)

HUNTON & WILLIAMS

These changes don't affect the substance of the Motion for Summary Disposition, although the word "headquarters" on page 9 of the motion probably should be changed to "communications center" to be consistent with Mr. DiMascio's affidavit. Paragraphs 6 and 23 of the "Statement of the Material Facts" (Attachment 1 to the motion) should also be conformed to the DiMascio affidavit.

Yours very truly,

James N. Christman
