RE: In the Matter of Commonwealth Edison Company  
(Byron Nuclear Power Station, Units 1 and 2)  
Docket Nos. 50-454 and 50-455

Gentlemen:

I am enclosing Commonwealth Edison Company's Application For Subpoena directing the Executive Director of Operations or his designee(s) to appear at the Washington office of Isham, Lincoln & Beale for deposition and to produce certain documents. Please call me at 833-9730 once the Licensing Board has signed the subpoenas. I will have them picked up by messenger, and serve them on the Executive Director and the individuals on the Service List for the above-captioned case.

We, of course, will also include a check for witness fees at the time of service. Moreover, if the time or date for deposition is inconvenient, we are prepared to arrange for a mutually convenient alternative time or date.

Sincerely,

*Joseph Gallo*
