Prospective intervenors move the Appeal Board to grant them additional time in which to respond pursuant to Order dated 9/20/82, changing response due date from November 22, 1982 to January 12, 1983. Time is needed because the parties are continuing to explore possibilities of settlement. The parties have been in regular contact and the prospective intervenors are presently formulating a list of needed documents and present concerns. TVA has agreed to address these concerns informally in a manner which is conducive to greater discussion and interchange of ideas that formal replies would permit. TVA has agreed to the additional time. The staff has also agreed provided that all subsequent dates are correspondingly extended.

Respectfully submitted,

Robert B. Pyle
Attorney for Prospective
Intervenors
