Dear Sir:

Enclosed are 10 copies of corrections to the recently submitted "Emergency Preparedness Plan" for the NSCR. At your option please replace the original pages or make handwritten corrections. The following corrections were made.

Page 13, 4.1 - "Operational Event" has replaced the previous title "Non-Reactor Safety Related Events"

Appendix B, Item 1 - "Implementing Procedures for an Operational Event" has replaced "Implementing Procedures for a Non-Reactor Safety Related Event".

Your attention to these corrections will be appreciated.

Sincerely,

Donald E. Feltz  
Acting Director
