U. S. Nuclear Regulatory Commission
Director, Nuclear Reactor Regulation
Division of Emergency Preparedness
Washington, DC

Dear Sir:

The University of Lowell is submitting the enclosed emergency plan for review by the U. S. Nuclear Regulatory Commission as required by Appendix E 10CFR50. Enclosed please find ten (10) copies of the proposed plan.

Procedures, implementing this plan, and agreements with cooperating agencies will be completed upon final approval by the Nuclear Regulatory Commission and the University of Lowell. Under our present Emergency Plan, all outside agencies have agreed to cooperate as necessary and we do not anticipate any substantial changes in the level of response.

If any additional information is required please contact me at (617) 452-5000 extension 2232.

Sincerely yours,

THOMAS J. WALLACE
Nuclear Reactor Supervisor
