Subject: Request to remove 10 CFR 35.400 material, NRC license no. 13-18879-01, Elkhart General Hospital

Good morning Mr. Archambeault,

Please provide additional information regarding your request dated December 11, 2019 to remove 10 CFR 35.400 material. Specifically, please specify:

- 1) The material used (I-125, Pd-103) and the last time it was used.
- 2) Please explain whether the brachytherapy seeds were decayed in storage, implanted, or returned to manufacturer.
- 3) Please provide documentation and acknowledgement of receipt if the brachytherapy seeds were returned to the manufacturer.

Please provide the information in a signed and dated letter by January 17, 2020. You may email the letter directly to me.

Thank you

Magdalena R. Gryglak
